

COTTONWOOD WATER & SANITATION DISTRICT (CWSD)  
BOARD MEMBER Adam Perez  
Position: Secretary  
Term: through May 2012

A newer resident to the Cottonwood community (January 2011), Adam has worked in the telecommunications industry for several years as an Asset Manager. His current position is a Financial Analyst. Adam is in the process of completing his degree in Civil Engineering to become a Structural Engineer and holds a Minor in Business Finance from the University of Colorado, Denver. Adam's continuing education plans include the Master's Program at the Colorado School of Mines.

Originally from Fountain Hills, AZ where his parents reside, Adam also owns a vacation rental company. Becoming a board member of CWSD is Adam's first community service position, inspired by the desire to help the District move forward wisely with respect to financial decision-making on behalf of all property owners.
