

COTTONWOOD WATER & SANITATION DISTRICT (CWSD)

BOARD MEMBER Scott Lamond

Position: President

Term: Through May, 2012

Scott and his family have been residents of Cottonwood since November of 1991. Employed by the U.S. Department of Defense since 1985, he is a Contracting Officer managing a team of 8 support staff in the acquisition and management of contracts to support the TRICARE medical program. Scott holds a Bachelor of Science Degree in business with a specialty in Procurement from Weber State University, Ogden, UT. He is also a Certified Profession Level III Contracts Manager by the U. S. Department of Defense, with over 1,300 hours of continuing education.

Scott loves being actively involved in the community. He has served in multiple types of service positions with his church and has participated in youth programs (Boy Scouts of America), assisted with humanitarian food service projects, volunteered for many a Parker road clean-up project and participated in some Colorado Care Day service projects. When he learned of an opening for Board membership on CWSD, Scott says he felt this was a good way to serve and represent the entire community in helping to provide safe and affordable drinking water and sanitation treatment of the District's water supplies for all of its customers.

Scott and wife Kathy have four children and six grandchildren with an even split of 3 girls and 3 boys plus a new grandchild on the way.
